

Consoles 121

Emphasis Component Defaults

Console Application Defaults

The following default settings are for reference only. They are not intended as instruction on how to change settings.

The following can be set from either Emphasis Visualization or Emphasis Console. In Visualization these can be set from the EMPHASIS mode, then Setup. In Console, these can be found in the main Emphasis Console Application box. They are set under their headings in Options. **Visualization should be the application of choice for setting these parameters.**

Facepanel Type

IO

Diagnostics

ASCII Options

The following are only set from Visualization. These can be found in the Emphasis Mode, then Options, then Application Options. Most settings are defaults of WYSIWYG, only the ones specific to Emphasis will be covered here.

File Options Tab

Emphasis Tab

The following are set from the Emphasis Console Application Only. These can be found in the main Emphasis Console Application box. They are set under their headings in Options.

Language

System ID

Expression Facepanel Defaults

ETCNet2

| | |
|------------------------------------|--|
| Emphasis RPU System ID A | 0 |
| Emphasis RPU System ID B | - |
| IP Address..... | 10.101.45.101 |
| Gateway Address..... | 10.101.45.101 |
| Subnet Mask | 255.255.0.0 |
| Display Processor List..... | Disabled |
| Label..... | Defaults to the type of console it is in |
| Use Configured IP Parameters | Disabled |

DMX

Local DMX/EDMX input/output enabled

| | |
|--|----------|
| DMX Output Port Timing..... | Max |
| DMX Output Port 1 Start Channel | 1 |
| DMX Output Port 1 Channel Count..... | 512 |
| DMX Output Port 2 Start Channel | 513 |
| DMX Output Port 2 Channel Count..... | 512 |
| DMX Output Port 3 Start Channel | 1025 |
| DMX Output Port 3 Channel Count..... | 512 |
| DMX Output Port 4 Start Channel | 1537 |
| DMX Output Port 4 Channel Count..... | 512 |
| DMX Input Port Start Channel Start Number..... | 10001 |
| DMX Input Port Channel Count..... | 512 |
| DMX Input Port..... | Disabled |
| DMX Input Port Priority..... | 10 |

MIDI

| | |
|-------------------------------|---|
| MIDI Input Port EMIDI ID..... | 1 |
| MIDI Output Port EMIDI ID.... | 2 |

SMPTE

| | |
|---|-------------|
| SMPTE Input Port ESMPTPE ID | 1 |
| SMPTE Input Port Frames per Second..... | 30 |
| SMPTE Start-of-Loop (HH:MM:SS:FF) | 0:0:0:0 |
| SMPTE End-of-Loop (HH:MM:SS:FF) | 23:59:59:29 |

Remote Macro

| | | |
|------------------------------|----------------------------|-------------|
| Remote Macros 1 - 8... | Macro ID 1901 - 1908 | System ID 0 |
| Remote Macros 9 - 16.. | Macro ID 1909 - 1916 | System ID 0 |
| Remote Macros 17 - 24..... | Macro ID 1917 - 1924 | System ID 0 |
| Remote Macros 25 - 32..... | Macro ID 1925 - 1932 | System ID 0 |

Lighting Playback Controller

| | |
|---|----------|
| Lighting playback controller mode | Disabled |
|---|----------|

Serial Button Protocol

| | |
|---|----------|
| Use serial port for button protocol | Disabled |
| Baud Rate | 115200 |

Express Facepanel Defaults

ETCNet2

| | |
|------------------------------------|--|
| Emphasis RPU System..... | 0 |
| IP Address..... | 10.101.45.101 |
| Gateway Address..... | 10.101.45.101 |
| Subnet Mask | 255.255.0.0 |
| Display Processor List..... | Enabled |
| Label..... | Defaults to the type of console it is in |
