

GENERAL INFORMATION

The Expression Remote Focus Unit (RFU) provides a powerful solution for remote control. Compatible with the ETC Express, Expression and Insight consoles and LPCs, as well as the Emphasis Control System, this hand-held unit provides access to frequently used commands for dimmer and channel checks as well as record, playback and macro functions. The built-in LCD provides information including current cue status and command string.

- APPLICATIONS**
- Theatre
 - School & College
 - Studio
 - Touring
 - Church
 - Themed Retail & Restaurant

- FEATURES**
- Commonly used commands for focus and basic record & playback
 - Macro access for any other console commands
 - Backlit LCD displays current screen, cue status and command string
 - LED on critical-function buttons mimic console button LED behavior
 - On/Off switch
 - 50' integral cable
 - Interface for Lighting Playback Controller (LPC) applications
 - Interface at ETCNet2 Video & DMX Nodes

- ACCESSORIES**
- ECPB wall plates available (female connection)
 - Console to wall (M-M) cables available
 - Extension (M-F) cables available
