Hog 4 PC ETCnomad unlocked USB key Multiple Gadget II interfaces	✓	✓	12	12	The ETCnomad unlocked USB key unlocks 12 universes of output which can be mapped to Gadget II outputs and/or FixtureNet universes.

UNLOCK HOG 4 PC

HYBRID HOG WINGS/WIDGETS/ETC_{NOMAD}/GADGET II

Gear	Visualizer Stream	OSC/MIDI faders/encoders	FixtureNet universes	Hardline DMX outputs	Notes
Hog 4 PC ETCnomad base USB key Hoglet 4	✓	✓	6	4	The combination of unlocking devices is added - two universes from ETCnomad plus four universes from the Hoglet 4 (which also contributes 4 hardline DMX outputs).
Hog 4 PC ETCnomad unlocked USB key Hoglet 4	✓	✓	12	4	ETCnomad is already unlocking Hog 4 PC to the maximum of 12 universes, but the Hoglet 4 provides four hardline DMX outputs (as well as a programming surface).
Hog 4 PC ETCnomad base USB key USB DMX Super Widget	✓	✓	6	4	The combination of unlocking devices is added - two universes from ETCnomad, plus 4 four from the Super Widget (which also provides four hardline DMX outputs).
Hog 4 PC ETCnomad unlocked USB key USB DMX Super Widget	✓	✓	12	4	ETCnomad unlocks the system to the maximum of 12 universes. The Super Widget contributes 4 hardline DMX outputs – but does not increase universes beyond 12. All 12 universes are available on FixtureNet.
Hog 4 PC ETCnomad unlocked USB key Various Widgets and Gadget II	✓	✓	12	1-12	ETCnomad unlocks the system to the maximum of 12 universes. The Widgets and Gadget II interfaces provide hardline DMX outputs. All 12 universes are available on FixtureNet.
